COMPANY PROFILE

35 MECA

35 MECA's Vision

Full-fledged 360 marketing services at your fingertips.

35 MECA's Mission

Introduce innovative and effective marketing solutions, effective integrated brand marketing and public relations and help businesses realize their marketing goals.

Partners of Success

Approaches

We are affluent in market trends and tastes, and this helps us captivate minds and hearts. We like to remain competitive and always brought up to speed with emerging trends in advertising and technology to offer the best strategies to our clients. Our agility and expertise help us foresee trends and execute them in the most creative of ways.

In every industry, competition is getting stiffer. Advertising can help businesses attract and acquire clients. Offering the newest and latest marketing techniques will help our clients be disruptors in their industries. We need to stay on top of trends, as well as conduct industry and customer surveys to see where the market is now and make projections.

Quality Guaranteed

We strictly believe that honesty is the best policy, firm believers of quality over quantity, research and strategic thinking are our recipe book,, and client satisfaction is what keeps us going. We promise our clients an unmatched experience with our creative team and media specialists. Research plays a huge role in everything we do; we tailor messages and designs for satisfaction and come back with results for the pleasure of the client.

35 MECA promises premium quality delivered in the shortest period. Our standards are high, and we will be there to support you every step of the way.

our

Services

Website Development

Social Media Marketing

Google Ads

Traditional /Offline Marketing Services

Website Development

Having a website is almost crucial for any business, since half of the earth population access the internet daily. Digitizing your business' presence helps you in many ways such as being relevant to your customers, a platform for displaying your products/services helps in making you stand out among your competitors, displays your unique brand identity in colours, images and different element placements.

Social Media Marketing

35 MECA provides you with social media strategies and recommendations, and helps you build online communities with

your target audience.
Our creative strategies and solutions are
designed to maximize
engagement, increase
brand loyalty and increase your brand
awareness.

Content Creation

The content provided by our experienced content creators will attract your customers, promote your business development, and truly highlight your brand image. We understand the importance of organic coverage for businesses. Therefore, we create content to increase the natural impact of your brand and test it to ensure that our content appeals to your target udience.

Social media management

Social media increases brand exposure and customer engagement. However, if you fail to properly maintain and analys the performance of your various social media accounts and observe the progress of this strategy, you may have a negative impact on your brand. We also know that the more goals you want to achieve through social media, the more people you need to supervise your work. Our team of social media and marketing experts will:

- Conduct social media audits
- Determine the most suitable social media platform
- Analyse the interaction of your audience with your content.

Digital Strategy

Our team creates custom digital plans for our clients outlining the whole 9 digital yards.. The strategies we develop are in line with the company's overall goal, ensuring that the digital world and real life coexist boosting the company's performance and attaining its objectives.

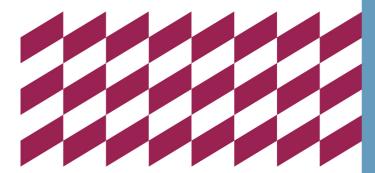

Media Planning and Buying

A team of media buyers who are wellequipped with knowledge about all channels, the best applications of each medium, and the audiences who use those platforms, and who can recommend the best platforms for your brand and its demands.

Influencer Marketing

Influencers elevate brand visibility and recognition, grow and diversify your audience. We connect you with the right influencers that share your company's values and develop a custom influencer plan that will increase your reach.

Google Display Networks (GDNs)

Your ad campaign is sure to succeed and be known among different people if it is placed on various websites that have been carefully chosen, targeting those who are most surely interested in your product/service. Let us handle the ad production and placement.

YouTube

If you want your ad to have a better chance of being seen, our ream will build the best YouTube ad campaigns for you, ensuring that you reach your target audience, get the exposure your business needs, and potentially leave viewers with fond memories of your video ad.

Google Ads

Search Engine Marketing

Our team at 35 MECA are Google Ads professionals who can help you reach your target audience at the right time, at the right price, and in the right location. Using YouTube adverts, Google Display Networks, and search ads to get your website to the top of Google's search results pages.

SEO

No website can top the list anywhere without incorporating SEO techniques. Our team has first-hand in finding keywords that will help you improve your website's ranking on search engines. Next, we create a keyword strategy to implement these keywords into the content of the website, as well as using these keywords to create advertisements to increase website visits.

Traditional/Offline Marketing Services

We offer broadcast, print, direct mail, telemarketing, and any other offline marketing services. Traditional marketing tactics are still utilised, and some firms rely heavily on them, despite the fact that it appears that brands have shifted their marketing practises to the internet.

TV and Radio

At 35 MECA, we understand that using television and/or radio ads to reach a wide range of audiences ensures that those audiences are reached. Creating advertising with memorable language that sticks in viewers'/listeners' minds makes your brand name memorable and difficult to forget.

Traditional Marketing Strategies

We believe that carefully selecting and designing the plan that you will use to grow your business is important, thus we offer it to our clients. Our team of experienced marketers and media buyers will develop the most effective offline marketing campaign for you, one that will meet your goals and deliver the needed results.

Production

We take care of everything from the beginning to the very end, starting with pre-production and ending with post-production. We give exceptional directing and top-notch production work to ensure that you get the visuals you want and that your audience is captivated so that they remember your brand.

Photography and Videography:

Visuals tell stories and communicate messages to people, which is why 35 MECA strives to bring out the best in businesses and brands. As a result, we only work with a fine group of professional videographers and photographers who are dedicated to creating visual content that speaks to your target audience.

· Graphic Design:

A graphic designer's creativity and attention to detail are two of the most vital qualities to have in order to come up with distinctive concepts that people can relate to. We take pride in working with some of the most talented graphic designers in the industry, who will create a design that will effectively deliver your message to your target audience.

Booth Production:

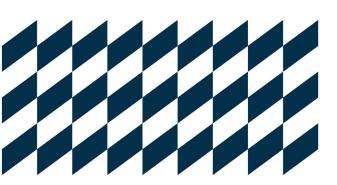

Providing exceptional booth design and production for our clients, ensuring their satisfaction and peace of mind. We understand the importance of a booth being attractive in the eyes of consumers since we work with some of the top designers and architects to bring your concept to life.

Event Management

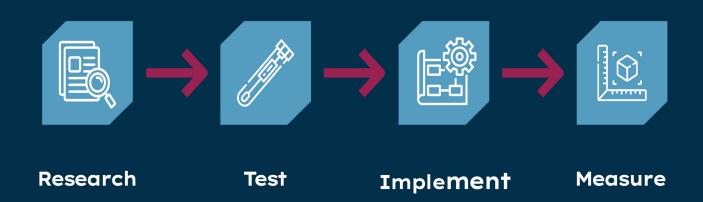

We will be responsible for finding the venue, plan the event, and make everything as simple as possible for you. You'll collaborate with a team of seasoned event planners with diverse histories in the business, ensuring a unique experience each time.

Billboards

We specialise in designing cost-effective billboard designs that get your message across since we are all about creativity. Our graphic designers and copywriters collaborate closely to elicit your imagination and make belief.
